Clarinet Fusion (kler-ə-net 'fyü-zh'n) *n.* 1. The process of the sound of single-reed, tubular woodwind instruments merging diverse, distinct, or separate elements into a unified whole.

The **Golden Notes Chorus** is a program of the Pleasant Hill Senior Center and meets there weekly for rehearsals. The primary focus of the Golden Notes is to enjoy making music together (Broadway, folk, popular and old standards) and to share that enjoyment and music with their audiences. The Chorus specializes in daytime performances at places where seniors live or gather. They also perform for community events and once each year they present a Spring Concert for the general public.

• ABOUT CLARINET FUSION •

Clarinet Fusion is the result of the inspiration, hard work, and determination of founder Karyn Weber. Begun as a quartet/quintet in the fall of 2009, Clarinet Fusion performed several concerts each year until the spring of 2012 when it expanded to a ‘full choir’ to include the extended range of the harmony clarinets. On June 28, 2012 Clarinet Fusion, with complete choir instrumentation, held its debut performance, under the baton of Dr. Lawrence E. Anderson. In the fall of 2014, after two successful seasons with the ensemble skills they had built under Dr. Anderson, Clarinet Fusion took the next step of its evolution: performing in the classical style of a chamber music group without a conductor. It is a continual challenge to the musicians as they must mutually, and continually, “agree” upon the numerous nuances of tempo, rhythm, dynamic and blending of their sound during the performance of any given piece of music.

The members of Clarinet Fusion collectively boast over 300 years of music-playing experience, with a majority of that on clarinets. In addition to the clarinets being played today, various members also have experience playing other instruments such as: A and C clarinet, flute, french horn, trumpet, baritone horn, tuba, electric bass, and the saxophone family: soprano, alto, tenor, and baritone. These musicians also play for a number of other local music and performing ensembles, totaling nearly 20 different groups.

We appreciate your joining us today and hope you will continue to follow us into the future. You can find Clarinet Fusion on Facebook, on our YouTube channel, and our website.
